The Auditions Workshop Will:

- Teach you valuable performance and audition skills, using college level materials and techniques.
- Give you the tools to prepare for the most common audition types:
  - Cold Readings
  - Monologues
  - Vocal
  - Improvisation
- Help you get started on creating your own auditions binder (a valuable tool to all professional and non-professional performers.)
- Help you get started on creating or revising your performance resume.
- Give you an opportunity to practice cold readings and prepare one monologue to be performed in order to receive feedback and constructive criticism in a friendly and safe environment.
- Help keep Mason Community Players going strong with your small financial contribution.

Who Should Participate?:

- Anyone!
- This workshop will be helpful to anyone preparing for any audition. That includes high school auditions, college/scholarship auditions, community theatre auditions, and professional auditions.

How Much: \$20
